

## LIFESTYLE

Recently, we were approached by the 'Humberside Helpers' Lifestyle group for a donation of some timber. They were hoping to raise money for their chosen charity B-I-R-D and we were only too happy to help.

This group put in a lot of hard work and turned the wood in to some fantastic bird boxes which they then sold to friends, family and the public. This raised awareness of the charity and they managed to raise £100 for B-I-R-D.

Humberside Helpers came in to visit us and handed us a brilliant thank you letter and presented us with one of their bird boxes.

**A massive well done to Charlie, Adam, Joseph and Ben!**
